Secondary Education(X)
St. Francis Xavier School , Hisar
04/2015 - 04/2016   10
                                                       CGPA

PERSONAL PROJECTS

Tindog-Website (03/2019 - 04/2019) ↗
- It is a website which is made with the help of HTML , CSS and Bootstrap . It is just like Tinder , the dating website for humans , so its a dating website for dogs .

Insta-Bot (04/2020 - 05/2020) ↗
- It is a bot for the automation of Instagram . I have made it with the help of Selenium library and deep Python . It solves the probleum of manually doing all the tasks in Instagram .
